I am a **UK tax payer** and I want all subscriptions and payments I've made to The Antiquarian Horological Society in the past four years and all subscriptions and payments in future to be treated as **Gift Aid** donations until I notify you otherwise.

When you Gift Aid your subscriptions and payments, the Society receives an additional 20p for every pound you give. Gift Aid is one of the easiest ways to make your donation tax effective. The charity you are supporting reclaims the basic rate tax from the Inland Revenue. There is no extra cost to you and the process is simple - all you have to do is make the above Gift Aid declaration.

**MEETINGS & ACTIVITIES**

The Society organises around 100 meetings a year. Each regional section has its own meetings programme and in addition there are the main Society meetings held in London. Meetings take the form of talks by invited speakers, organised tours to visit collections and informal gatherings where members meet to discuss their own collections and areas of interest. Refreshments are often provided. The Society's AGM is held over a whole day with lectures and horological exhibitions. The Turret Clock Group arranges two annual tours and the Electrical Horology Group organises day events.
